## **To our Customers & Community:**

We've made the difficult decision to close our retail locations at 51 Main Street and 24 Main Street for at least the next 30 days to help mitigate the spread of COVID-19.

This is obviously a fluid situation, so we'll be monitoring and adjusting our plans and timeline accordingly.

This is a tough call for many reasons. Our amazing team members are not just employees — they are friends and neighbors. So we'll be compensating them for their scheduled time throughout our planned 4 weeks of closure.

From a company perspective, by closing our locations, we'll sacrifice some near-term business goals, but we're prepared to put public health ahead of our bottom line.

**Respectfully,**

Sloane Bouchever
